The health departments in Georgia’s coastal counties keep a list of residents with certain healthcare needs who have no ability to leave home in an emergency. The Registry is ONLY for people who will need medical care or help with daily activities and have no other way to evacuate.

- To best guarantee personal safety, individuals should make plans and follow government emergency evacuation guidelines.

- Depending on your health status you may be transported to an American Red Cross emergency shelter or admitted to an inland healthcare facility.

- If you will be transported to an emergency shelter, one personal caregiver **SHOULD** accompany you to the shelter. The caregiver **MUST** be able to provide the same care at the shelter as is delivered at home and be over the age of 18. This may be for an extended period, 4-7 days or longer, depending on the event.

- If you are an individual with Medical Needs who will be admitted to an inland healthcare facility, caregivers and pets are not able to accompany you. Only trained service animals may come with you to a healthcare facility.

- **A service animal is defined by the Americans with Disabilities Act as any dog** that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

- **Pets, Emotional Support or Comfort Animals** do not have specific training to perform tasks to assist people with disabilities and are not covered under ADA laws as **service animals**.
Coastal Health District Hurricane Registry Application

Note: Please PRINT the entire form and mail it to the return address at the end of the form. Registration must be updated and submitted annually.

Registrant Signature ___________________________  Date: __________
Department of Public Health

Consent to Participate in the Hurricane Registry

PLEASE READ AND INITIAL EACH OF FOLLOWING:

_____ I understand the purpose of the Functional/Medical Needs Registry is to assist in facilitating my evacuation and placement needs during an actual or pending emergency or disaster in which I am being asked to evacuate.

_____ I understand that residents under the care of in-home Hospice and Home Health Care Agencies should work with their providers to create a primary emergency plan. This includes pre-determined destination and contact information.

_____ I understand that an American Red Cross emergency shelter will provide no more than 20-40 square feet of space. (example: a cot with 1-2 feet of walk around space)

_____ I understand that every effort will be made to facilitate my placement and transportation needs. However, I understand the extent of the emergency or disaster may result in an inability to place me.

_____ I understand that There may be a cost associated with care or transportation if the client is placed in a healthcare facility

_____ I understand it is my responsibility to update this form as needed. I will contact the health department annually to confirm my information.

_____ I understand that, even if I’m placed on the Registry, I can still refuse transportation. A refusal form stating I assume all risks associated with my refusal will be provided to me for signature.

_____ I give local law enforcement and emergency services personnel permission to enter my home in the event of an emergency.

_____ I have received the Health Department’s Notice of Privacy Practices.
