Why ServSafe® Certified Manager’s Course?

- Because you need the highest standard of food safety training and certification.
- Because the ServSafe Program has evolved to meet the most urgent food safety training challenges in our industry.
- Because ServSafe is a better way to learn. It’s more engaging, for greater comprehension and better application.
- Because each Food Service Establishment shall have at least one Manager of the facility who is certified with an accredited CFSM program and designated for that establishment only.
- Because food safety impacts your customers, your employees and your business. With so much on the line, the right preparation means everything.

The ServSafe® Manager’s Certification Program blends the latest FDA Food Code, food safety research and years of food sanitation training experience into one industry leading course. Students learn to implement essential food safety practices to keep their customers and employee’s safe while earning the ServSafe Manager’s Certification, accredited by the American National Standards Institute (ANSI)- Conference for Food Protection (CFP). The certificate is valid for five years upon successful completion of the course and a passing score of 75% or better on the exam. Registration and payment is required before attending the class. Space is limited so please call 912.754.6850 for more details.
